HOLIDAY 2010**

Club is back for another red-hot turn at showing you the best of sex we could dig up in our worldwide search for such.

We begin with a revealing look at the lovely Kayla Hart. This sweet little sexpot gives us a close-up view of why she belongs on our pages with a long history of *Club* cuties.

Klaudia is a girl who can't decide on what flavor she's in the mood for, so she does the only logical thing and samples two types of tools in a threeway for the ages (page 22).

As 2010 (and our 35th year as a mag) begins to cum to a close, we take a look back at the year in sex and review all of the carnal action that transpired. Whether it was the unfortunate passings of some legends in the biz, hardcore history-making headlines, or the top releases that hit XXX stores, we take a trip down memory lane!

One of the biggest trends of the year was the parody craze, and one of the top fuck flicks of the genre was the take-off of one of television's all-time best, "Seinfeld." Our crew went to the set of the sequel to the chart topping hit as the raunchy reimagining of your beloved sitcom characters are back for part two in *Seinfeld 2: A XXX Parody*.

Club also is on the constant search for the next big thing in adult, and one of our perverted picks is blonde babe Breanne Benson. We sat down with this star on the rise to find out what she has her sights set on in the sex world.

We have all of this and more, so check out all the sexy action right here, right now! Let's get this party started...

SEX SURPRISE

It was about seven o'clock on a Saturday night and Abbie knew her lover, Blake, would be home alone in front of his computer. She was feeling a little lonely, so she decided to pay him a visit.

She arrived at Blake's house completely confident and let herself quietly in to find him—as expected—focused on the computer screen. He didn't notice her presence until she was right beside him, so she swung his chair around and straddled him. Leaning back for a moment, she took off her shirt—then his—before she started to nibble and suck on the curve of his neck. Blake removed Abbie's bra and caressed her breasts as his mouth kissed its way down his girl's chest to her upright nipples. He sucked hard at her silver-dollar tips as she slid her hands

down to the snap of his pants. His jeans were getting tighter by the second and needed to come off immediately. After his pants came off, hers was next—and finally the baby blue thong. His jaw dropped as his hard-on rose to attention at the sight of her bald snatch, and he reached out to stroke her silky smoothness as he brought his pussy-soaked fingers to his mouth for a taste. Moments later, she dropped to her knees to satisfy her own oral craving.

Abbie took hold of his stiffness to rub her fingers

over and around it while Blake quivered at her touch and groaned with pleasure. She then lowered her warm mouth, engulfed his cock, and caressed it with her lips as she sucked him hard.

Abbie's pussy was already wet from anticipation, and the taste of him had her dripping and aching to have him inside her, so she stood up—ready to be fucked. She turned around, rested her hands on the arms of the chair, and spread her legs so he could guide his shaft into her from behind. He slid in with ease and moaned as her wet, warmth snatch engulfed him. Blake took hold of her waist and began pumping while she met his every thrust with her own enthusiasm. Abbie moved one hand to her clit and strummed it as he fucked harder and faster.

She could feel her orgasm begin to overtake her, so she braced her hands on the chair as Blake began to pump them both to oblivion. She moaned loudly as her pussy muscles contracted over his dick, which sent him over the edge as well. When she creamed all over his cock, he pulled out and turned her around to unleash his load, and coated her from her tits to her twat. She began to lick his love lava off her breasts as he used his tongue to clean his juices from her bare pussy. At last, he moved upward until their tongues met in a satisfied kiss. **"Lusty Lover" – Colorado**

"She could feel her orgasm overtaking her, so she braced her hands on the chair..."

ALETTA ALL WAYS

Some chicks just have it—and you can tell from the start. I figure you've known that about Aletta Ocean for a while because you've been featuring her in *Club* since she started her career in porn. Heck, I think you pegged Aletta as "The Next Best Thing" before she even came to our shores to make movies! It's obvious you got it right, because even when Aletta performs in badly styled crap, it's clear she's still a star, and puts her ass on the line to prove it. She's gorgeous—that's a given—with a bubbly and bodacious butt that begs for filling and drilling—and accommodates cocks of various length and girth. However, Aletta's not just sitting on her laurels, she's got a beautiful face and a great rack, too! I'd sure love to get me some of that, but in the meantime, I'll settle for the photos. **"Ocean Ahoy" – South Carolina**

You almost have to give her two guys to work with when you give Aletta Ocean a job to do! The girl is hotter than Hades—not to mention anal insane! It takes more than one cock to satisfy a girl like that. She's got a great, tight body and must have had a new tit-job because I noticed extra heft when those boobies are bouncing as some stud (or two or three) is taking her on a ride around the block—or should I say his cock? Aletta looks happiest getting DP'd, and in your November issue, she's positively gleeful as she works those tools in and out of all her holes. I think Hungary has given the porn world some of its most voracious, infernally hot performers—and Aletta is right at the top of that list! I want to dive into Aletta's Ocean—I've got nine hard inches and I'd love to show her what I could do with it. **"A' for Aletta" – Illinois**

KAYLA HART

When Kayla's man tries to throw away her favorite couch, she makes him remember the good, horizontal times...

"Oh, come on, honey. You can throw anything out but this couch. You know much I love this piece," Kayla pouted while running her hands across the velvety fabric...

As the couch was sitting outside—sad and lonely—Kayla couldn't bear to part with the piece that she and her boyfriend spent so much time on. Trying her best to seduce her man, Kayla positioned herself seductively on the furniture in her skimpiest bikini.

"If this couch goes, I go," she protested, running her fingers across her flat stomach and down her hot pink bikini bottoms.

"Mmm...you're making my pussy cry," she moaned, while she removed her weeping panties.

With every protest, Kayla stripped another piece of her barely-there piece of clothing, and before her boyfriend could even grasp his rock-hard rod at the begging, this raunchy redhead was naked and digit-deep inside her quaking clam.

Sitting down with her legs high up and her pussy in full view, Kayla spread her pretty lips and couldn't help thrusting her lengthy fingers in and out of her tender hole. While keeping a steady finger on her swollen gem, her joy juice rained down her taut thighs and onto the stained yellow fabric.

As her seductive screams wafted through the air, Kayla pulled her fingers out and relished in her sweet juices.

"I promise that we'll have more good times on this couch—or at least I will," Kayla said. "So, can we please keep the couch?"

All Kayla needed was a quick nod before this slut got her away once again. ♣

NINA MERCEDEZ RETURNS...

Latina of the Decade Cums Back to XXX

Nina Mercedes is returning to porn after a two-year break. The former Vivid Girl recently took some time off to concentrate on her Internet business XXXSexCash.com and personal affairs. Now she is back in full force. Her fans on Latin BabelIndex.com recently crowned her "Latina of the Decade". She also signed an exclusive contract with Loveable Dolls to become a spokesmodel and be replicated into one of their famous life size Platinum Silicone Dolls.

"I have made the decision to shoot boy/girl scenes with my partner, Raymond Balboa, for select companies for now. I may work with other boys non-condom if a contract is presented with the right company, but for now all my boy/girl

Former Vivid Girl Mercedes is back in the biz!

scenes with other male talent will stay exclusive to my website," says the busty beauty.

Nina's cumback tour will include scenes with top performers such as Lisa Ann, Devon Michaels, Derrick Pierce, Jerry, Ben English,

Bridgett B, Jenavive Jolie, Lexi Lamour, Puma Swede, Sandee Westgate, Kayme Kai and many more. Nina will also be shooting a hardcore boy/girl scene for Adam and Eve and girl/girl scenes for Dani's and Naughty America.

AMY FISHER... PORN STAR

'Long Island Lolita' Ready For Raunch

Amy Fisher, also known as the "Long Island Lolita," has signed an exclusive contract with adult production company Dreamzone Entertainment to produce and star in her very own adult movies.

Fisher created her own production company, Amy Fisher Productions, after the success of her amateur sex tape that was released in 2007. Fisher will begin production in Los Angeles on four adult movies this summer, which will be released later this year and in 2011. Fisher will become an exclusive contract star for Dreamzone Entertainment.

A "Lolita" no more, Amy Fisher is now a XXX MILF

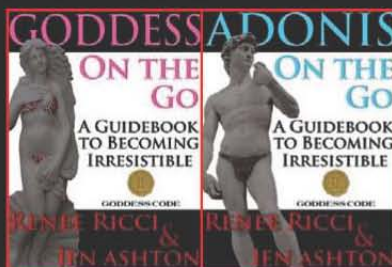

Some of the biggest names in the adult industry will be working with Amy, including Lisa Ann, Dale Dabone, Shyla Stylez, Evan Stone, Marcus London, Tommy Gunn, and more. The first title will focus on Amy's trip to Los Angeles, as she goes through the process of deciding on her jump into the adult industry, all-the-while taking in the sites and sounds of Southern

California, far away from her home in New York. She is introduced to those in the industry, and is slowly nurtured into the idea that making adult movies is exactly the type of career she has longed to do. "I am excited to work with Dreamzone to make my dreams of becoming an adult film star a reality," says Fisher. "Our society loves sex. It feels so good and we should enjoy it. Sex is beautiful, powerful, and simply put, no one has the right to tell me what I can or cannot do with my own private parts. This time, I get to make the choices on what kind of movies I want to make."

KLAUDIA, JAMAICA

When these kinky partygoers are the only three that show up for the picnic, they

& MIKE

need three helpings each...

"Well, it looks like we're the only ones that showed up," Klaudia says, setting the beer down on the ground...

"Yeah, then again, we're always the first ones to arrive," Jamaica says, rubbing his crotch to stave off the throbbing in his pants at the sight of Klaudia in her tight get-up. "It's like a delicious appetizer," Mike moans while grabbing Klaudia gently by the hips, kissing her neck as her ass grazes his pulsating rod, begging to be released.

Turning around, Klaudia kisses Mike while motioning for Jamaica to come join the fun. Immediately, she bends down and takes out Mike's rock-hard man-meat, swallowing his rod. As Jamaica's sausage hits the air, Klaudia multitasks by removing her bottoms while her mouth stays like a magnet to Mike's cock. As she rubs her dripping slit, Jamaica teases her meaty lips with his chocolate bar.

"Don't make me beg for it, baby," Klaudia whimpers before Jamaica invades his hefty piece in her tight cavern, making Mike's pole hit the back of her throat even deeper than before. With Klaudia moving rhythmically to the dual hips thrusting in both her holes, her pussy begins to suction against Jamaica's thickness, and her screams of pleasure are muffled by Mike's crotch.

Almost instantly, the boys switch positions with Mike enjoying her pink and Jamaica making the best use of her sweet mouth. As the bodacious brunette bounces on Mike's prick in reverse cowgirl, she arches her back to skillfully inhale Jamaica's cock, and the moment she hears the boys simultaneously groan she knows it's time for her creamy treat.

"Give it all to me, guys," She pleads, kneeling in between them as the hunks decorate her face in each of their pearly jizz.

"If that's just the appetizer, then I can't wait to see what's for the main course," Klaudia says, licking the salty remnants from her fingers. ♣

Let's face facts here — we all love PORN! If we didn't, we wouldn't be here, now would we? All of the fine fucking folks you see on the following pages share our love for lewd lovin'. Sure they fuck for fame and fortune, but they also do it for the love of the game, and we love watchin'!

Courtney's Fantasies

Starring: Courtney Cummmz, Kagney Linn Karter, Sara Sloane, Ashli Orion, Phoenix Marie, Tara Lynn Foxx, Anthony Rosano, Chris Johnson, Marco Banderas, David Perry, Alex Gonz, Mark Davis, Dane Cross
Directed By: Courtney Cummmz
Available From: Third Degree Films

Porn star princess, Courtney Cummmz, is a certified triple threat in the adult arena. Not only can this girl act well and fuck like a champ, but it turns out she's a skillful director to boot! Having helmed several successful projects for her parent company, Courtney is at it again with this dynamic wall-to-wall sex series that hits the mark at every turn. With incredible sexual pairings, including plenty of play from her contract sisters, the cast is dynamite in mixing seasoned pros with rising stars. The effects are solid!

Leading the pack in the movies most daring scene, Courtney Cummmz proves her sexual prowess when taking on two porn heavyweights in one sitting. With Marco Banderas banging down her backdoor and David Perry clearing out her pussy plumb, Courtney is fucked every which way. Egging on the action, the bitch never tires. Instead, this DP'ed darling simply begs for more. We like her style!

Phoenix Marie is another "ho for sho" that does double duty up the pussy and the booty when Anthony Rosano and Chris

Johnson pay her an impromptu visit. Slobbering on knob throughout, Phoenix looks damn good with a cock hanging out of her mouth and even better with a throbbing knob excavating her asshole.

Sara Sloane and Kagney Linn Karter — arguably two of the prettiest blonde babes in Pornoland — look even better when Alex Gonz comes along and stacks the two broads on top of one another. Loosening up both holes with his fingers, he pumps both pussies to perfection. With excellent results, fans will certainly approve.

Tara Lynn Foxx is later found taking a vaginal flogging when Dane Cross stuffs his cock up her hole in several well-captured positions. Ashli Orion is treated to the same type of hardcore love when Mark Davis takes her for the ride of her life — ultimately showing her what it's like to lock legs with a porn legend. Rating: ♣♣♣

Cheating Housewives 7

Starring: Dyanna Lauren, McKenzie Lee, Tanya Tate, Raquel Devine, Mellanie Monroe, Kayla Paige, Evan Stone, Michael Vegas, Jack Lawrence, Mark Anthony, Randy Spears
Directed By: Jim Powers
Available From: Smash Pictures

This award-winning series maintains the tradition and expectation of pornographic excellence with the seventh installment to their critically acclaimed franchise. Helmed by porn legend, Jim Powers, expect awesome camera angles, terrific lighting and camerawork so intrusive, you can practically smell the seasoned snatch on display.

Although each cougar does her part to polish pecker like a pro, Raquel Devine really stands out here in her scene with Jack Lawrence. In an effort to swap husbands with Kayla Paige, Raquel latches onto Jack's joint like a true succubus. With a dripping wet mouth and pussy to match, Jack doesn't stand a chance. The best he can do

is stand back and let the girl go. He does so, with winning results!

The pairing of luscious Brits, McKenzie Lee and Tanya Tate, is also exponentially charged with plenty of mojo. Getting down

poolside, Michael Vegas catches McKenzie shoving her tongue down Tanya's twat before deciding to add sausage to their pussy party. Eager for more meat, Tanya commits her clam to the cause, while Tanya is more than happy to donate her derriere to the project.

Moonlighting as a hooker by night and a PTA member by day, the legendary Dyanna Lauren dons a blonde pixie wig and sprinkles her magic muff all over Evan Stone in the movie's hottest scene. Bending her around like a pretzel, Evan works Dyanna like never before and doesn't stop until her makeup smears down her face and her pussy is as red as a tomato.

Kayla Paige is later found going the distance with Randy Spears when she bends over to take his bat up her bush. She squeals in cowgirl position, letting her tit-ties bounce in his face before the frothy cum toss.

Mellanie Monroe is another cheating housewife that is caught in the act by her husband with a black cock in her mouth. Unwilling to stop the hardcore action, she argues her case while maintaining a steady ride on Mark Anthony's black stallion. Hot! Rating: ♣♣♣♣

Bootylicious Girls

Starring: Kristina Rose, Asa Akira, Charley Chase, Isis Taylor, Misty Stone, Michael Stefano, Manuel Ferrara, Ice Cold, Nat Turner

Directed By: Sam No

Available From: Elegant Angel

pounds her with his French baguette. Taking her beyond her limit, Asa graduates to the next level because of Manuel's mega pounding.

Charley Chase proves her love of chocolate by being put through the ringer by Nat Turner. She devours his dick from tip to base, when committing herself mind, body and soul in cowgirl position. It doesn't get much better than this.

In the end, Isis Taylor has an opportunity to go bonkers once Manuel Ferrara stretches her out and shows her what "Performer of the Year" meat is all about! Rating: ♣♣♣♣

With five bootylicious asses, director, Sam No, delivers an award-worthy presentation that will certainly gain critical acclaim come award season. With each scene beginning where the previous one leaves off, there isn't a dud in the bunch. The result is unbelievable pornography, with plenty of oiled up asshole to go around!

Kristina Rose is the belle of the ball. She entices with two steamy tease sessions that include plenty of butt bouncing, before giving up gobs of gash and gape to Ice Cold, in what is her first interracial scene. Eager for his chocolate thunder, Kristina works Ice Cold up with sexy kisses before giving up all three of her holes. Never a dull moment, Kristina Rose is in top form, reminding us why she remains a top performer.

Misty Stone continues the show with Michael Stefano when he bends her over to eat out her asshole. With a juicy cunt and lots of wiggle, Michael stuffs his Italian sausage up Misty's warm hole in standing doggie. She later sits on his face and spirals her hips until his face is glistening with her chocolate milk. Yummy!

Manuel Ferrara has a field day in the next scene when Asian heartthrob, Asa Akira comes over to play. Flipping her around like a rag doll, he makes mince meat of her muff and repeatedly

Looking For Mr. Right Now

Starring: Kaylani Lei, Kirsten Price, Dylan Ryder, Jayden Jaymes, Rocco Reed, Tommy Gunn, Mick Blue, Dane Cross, Sascha
Directed By: Jonathan Morgan
Available From: Wicked Pictures

27855

Kaylani Lei plays a woman who is unlucky in love, while her roommate, Kirsten Price, is the exact opposite. Trying to teach her friend the tricks of the trade, Kirsten sets out to turn Kaylani from geek to sleek—in director, Jonathan Morgan's, hilarious couple's friendly offering. Putting out all the stops with a crisply directed comedy, the movie is still quick to deliver explosive sex that is on par with any hardcore production out there. The effects should be well received.

Barreling out first, Kirsten Price has her bedroom a-rockin' with Mick Blue. Treating her like a party platter, Mick samples all of her goods, doing his best taste testing between her legs in doggie position. She takes it well and never loses her intensity.

Next, while trying to score drinks at a club, Kaylani gets suckered into buying a round of cocktails for Sascha and Jayden Jaymes. Once liquored up, Sascha lures Jayden into a backroom where the fucks the shit out of her. Splicing through her pussy like butter, Sascha makes her cum repeatedly before drenching her in cum from naval to nose.

While out on a date with Rocco Reed, things get a little touchy feely at a restaurant when Kaylani starts to get frisky. Instead of taking their restaurant romp outside, they choose to fuck across the table instead. Spreading her open like a wishbone, Rocco lays into her in missionary position, conjuring up a little soup du jour between her legs. Yummy!

Having had a bit of sex-ed, Kirsten and Kaylani attend a swinging sex party. Once they arrive, they find that Tommy Gunn is already working his

magic and his mojo over Dylan Ryder. Happily taking his cock in a flurry of positions, she looks best when in reverse cow-girl—as her tits rock 'n' roll.

Kaylani eventually finds the love she seeks when she falls for Dane Cross. Doing it doggie style, the duo really take things to unexpected heights, as their chemistry proves to be explosive! Rating: ♣♣♣♣

The Dog Walker

Starring: Alexis Ford, Abbey Brooks, Rhylee Richards, Evie Delatosso, Sarah Jessie, Eric Masterson, Pike Nelson, Derrick Pierce, Barrett Blade
Directed By: David Lord
Available From: Adam & Eve Pictures

office to give him a piece of her mind—and her pussy! Smearing her across the desk, Derrick does some tongue damage between her legs before injecting his cock. Undoubtedly left with a bruised back from the desktop pounding, Rhylee takes the heat until her nipples pop and her clit plumps. The scene ends with Derrick playing connect the dots with her freckles by stringing his jizz across her tits. Hot!

As the story continues, Eric Masterson finally encounters Alexis Ford, (The Dog Walker) and is quick to make his move. Conflicted by her bisexuality, Alexis goes home to see whether she's a true vagitarian or carnivore. Evie Delatosso is there waiting for her to help in this decision. Flopping around in sixty-nine, Evie does a number on this girl in what becomes the best scene of the movie.

Still not convinced, Alexis mixes middles with Eric Masterson and delivers a stand out blowjob. Although her acting skills leave much to the imagination, her ride in cowgirl is no joke. With great legs and a killer sex drive, Alexis has Eric sweating.

Barrett Blade also has some fun with Sarah Jessie in the backroom of a strip club when he has her swinging around his pole. While the overall action is good, the results are far from great. Rating: ♣♣♣

Although at first glance we have no idea how this story parlays into dog walking, we are entranced by watching Pike Nelson fuck the stuffing out of Abbey Brooks in the opening scene. With her bazooka boobs swaying wildly in front of her, Abbey looks dangerously fun and squishy while taking his stick in

a doggie squat. The action only intensifies when she commits to the cause by going all out in reverse cowgirl. With her giant jugs nearly blackening her eyes, we truly see the value of this healthy hottie.

The same big tittle fun is experienced in the follow-up scene when Rhylee Richards calls Derrick Pierce into her

The Golden Girls: A XXX MILF Parody

wrapping her lips around his nuts for a little suck and blow session.

James Deen later gives it up good to Jewels Jade, with exceptional oral, while Puma Swede shows Rachel Love what real Sicilian ladylove is all about. Bellissima!

Rating: ♣♣♣♣

Although there may be some who would like to see old ladies get down and dirty, we're sure that particular niche is few and far between. At first glance, it would seem like spoofing "The Golden Girls" would be an entirely bad idea. In fact, nothing could be farther from the truth. With incredible casting, a storyline that remains entertaining, and incredible fucking throughout—these bawdy broads do their part to add the necessary spice to geriatric sex that would otherwise be subdued and kind of nasty.

Diamond Foxxx, playing the role of Blanche, is the first golden girl to be fucked when she gets her pipes cleaned out by plumber, Johnny Castle. Folding her in half, he begins the scene by sucking on her pussy and asshole. He later injects her pretty hole with plenty of hard cock, making her earn his seed on the kitchen floor in cowgirl position.

Dorothy (Raylene), who is normally wound up so tight, agrees to finally let her freak flag fly when she calls Rocco Reed inside to service her neglected bush. Once inside, her seduction eventually pays off when he lands face first

in her hair pie. Sucking her pussy and making her wet, Rocco has her cumming in a matter of minutes. She really lets loose however, once the hodge hammering begins in missionary position.

On the flip side, Julia Ann is seduced by Levi Cash when he stops by. Trying to ward off his sexual advances, Julia eventually gives in to her female urges and delivers plenty of gash in the process. Performing the hottest scene of the movie, Julia looks incredible and does her best in reverse cowgirl position. Even though that's a sight to behold, she looks even better when

CINDY & NEO

To spice up their sex life, Cindy Diamond and Neo decide to film their no-holds barred fuck fest...

"I'm in here, sweetie," Cindy yells from the other room as her man, Neo walks in, and his eyes glare immediately at the rolling camcorder in the corner of the room...

While thought maybe we can see how we look when we're fucking whenever we want," the beautiful blonde says, while rubbing the fabric-encased pants of her boyfriend, feeling his bulge grow larger and larger with each pat of her tiny hands.

Winking into the camera, she takes out his monstrous piece of meat and traces the head with her lips, licking the pre-cum and glossing the shaft with the goo and her spit.

Giving her a surprise, as she starts to work on him, he lifts her up and places her down on the bed, feasting on her shaved cooch, causing her to quake a bit. Reading his obvious signals, he lies down and she moves on top of him and sits on his cock, steadily riding him in cowgirl. She looks back to the camera and seeing his balls slap against her thighs with her ass bouncing in the air makes her gush and tighten on Neo's thick cock.

Moving one last time in doggie, Neo gently pokes Cindy in the pucker, looking at his finger squish in her tight, pink hole. He moves so he isn't in the way of the camera as he continues to thrust his thumb in the fleshy starfish.

"And now for the climax," he growls. Then, in a deep, hard thrust he crams his cock into her hot pink, hoping that his ferocious fucking is caught on camera for future viewing. With only a few rams into her hot pocket, he begins to lose control and like a good actress, Cyndi knows her cue and receives the massive load on her face, appreciating the intense on-camera eroticism.

Taking a few deep breaths, Neo quips, "Whoa, baby, I'd say it's safe for you to quit your day job." ♣

THE PORNO ABOUT NOTHING* *(NOTHING BUT SEX!)

Seinfeld 2: A XXX Parody

Starring: Kristina Rose, Gracie Glam, Nika Noir, Ann Marie Rios, Asa Akira, Tessa Taylor, James Deen, Mr. Pete, Eric John, Mark Wood, Steve Pomerantz (non-sex)

Directed By: Lee Roy Myers

Available From: New Sensations

Yada. Yada. Yada. It's the porno about "nothing." Nothing but sex, that is. The parody of one of the most popular sitcoms ever is back for another round of laughs and liaisons. There's no shrinkage here as Gerry and the gang are dropping one-liners, and dropping loads...

Kristina Rose & Mark Wood

“**S**einfeld,” which is arguably one of the best and most beloved sitcoms of all time—is a prime candidate for the hardcore spoof arena. As porn parodies continue to blanket the adult entertainment landscape, very few companies seem to do them as precisely as New Sensations. With several successful projects under their belt, including numerous awards for erotic excellence, New Sensations continues to be an industry powerhouse when it comes to creating colossal cockbusters.

After the smashing success of their first “Seinfeld” endeavor, it comes as no surprise that award-winning director, Lee Roy Myers, has teamed up with New Sensations yet again, to deliver one of the most highly anticipated sequel projects of the year with *Seinfeld 2: A XXX Parody*.

In this latest installment, Gerry (James Deen), Elaine (Kristina Rose), Kramer (Eric John), and Steve Pomerantz—reprising the coveted role of Gorge—have placed a winner-takes-all prop bet about

sex. With 450 dollars on the line (with an extra 50 bucks for Kristina)—the fab four—some are out to see who can resist sexual temptation the longest and become the “master of their domain.” With horny doctors, break up sex, a masturbating neighbor, and gorgeous girls with incredible derrieres afoot—who will be the first cast member to cave? You’re just going to have to read on to find out!

The movie begins with James Deen (Gerry) getting hot and heavy with Tessa Taylor on his living room sofa. Right before the big game of “hide the salami,” Tessa is

called away for what becomes another dire emergency that leaves James blue ballin’ it for the last time. With a “vagina raincheck” in the mix, what’s a man to do?

Meanwhile, back at his parent’s house, Steve Pomerants (Gorge) is waxing his carrot while watching a heated version of *Rochelle Rochelle: A XXX Parody*—a DVD he rented from the legendary Porn Nazi. During his big bang finale, Steve is caught white-handed as Nike Noir—their sexy housekeeper—catches him in the act of carnal splooge—fainting right on the spot.

As the cast comes together to re-tell their torrid tales of sexual angst, the stage is set for the naughty prop bet to ensue. As the details are being hammered out, Eric John (Krammer) catches a glimpse of James’s sexy neighbor, Gracie Glam, masturbating in her window. With her legs

spread wide revealing a freshly shaven snatch—Gracie goes deep inside her pussy, using three fingers and a thumb. Pulling out her soggy digits and gliding the sticky contents over her tongue, Gracie is on fire. Going wild, Eric flicks out his tongue in her direction, showing his approval, and smacks his 100 dollars on the counter. “I’m out!” He screams.

“Out? We haven’t even begun!” Kristina charges, as Eric leaves the room, following his cock to wetter pastures...er... greener pastures!

Eager for a taste of his bushy banger, Gracie lets Eric right inside. Once he crosses her threshold, she plants her tongue down his throat and immediately begins freeing his cock and balls from his polyester pants. “You liked my little striptease?” Gracie purrs, as Eric flips her over on all fours and begins eating out her tasty tushy. “You’re a dirty fuck!” she teases again—this time getting a few playful paw prints planted on the sides of her perfect pucker for having such a dirty mouth.

With a syrupy face, Eric detaches from Gracie’s ass looking quite fuck-drunk and happy. Resting on the sofa, he snaps his fingers, motioning Gracie to get to work on his wang. She latches her mouth around

his hard salami, wiggling her tongue over his meatballs, as the hair on his head seems to stand straight on end. “Deeper!” Eric yelps, holding her face in place until Gracie smacks the floor with the tips of her heels in order to be heard.

“First position,” Myers directs from behind the bank of state-of-the-art monitors. Not yet finished with their impeccable oral session, the duo transitions into an impressive sixty-nine. With bobbing heads that look like pecking pigeons, they continue sopping up more splashes of groin gravy with their tongues. With an incredible heat radiating from both willing participants, Myers’s simply allows the action to unfold naturally.

Eventually, Gracie takes the reins in reverse cowgirl position, locking the heels of her stilettos into the carpeted floor for better traction. “How does that cock feel inside of my tight hole?” Gracie asks, while Eric’s eyes roll to the back of his head and sweat trickles down his cheeks. “Fucking great!” he mumbles back. After a few more positions, Eric finally glazes the naughty neighbor like a donut, leaving her a sticky wet mess! It’s safe to say that Gracie was worth every cent of that 100 bucks!

Visiting Nika—his parent’s housekeeper—in the hospital, Steve Pomerants

(Gorge), gets more than he's bargained for. Through the curtain partition, Steve unexpectedly catches the live show as he watches the doctor and nurse—Ann Marie Rios and Mr. Pete—getting frisky with their “sore nipple” patient—Asa Akira.

“So you say your nipples are sore?” Mr. Pete asks, while Ann Marie lifts up Asa's hospital gown. Curving her tongue around Asa's perfect nipple, she

“ Her mouth latches around his hard salami, tonguing his meatballs...”

asks, “Does it hurt when I do this?” Asa simply moans with delight, flashing her naked wanton to the camera. “What about this?” Mr. Pete interjects, pulling his pants down and smacking the head of his hodge against her hard nips. Again, Asa moans in ecstasy.

With the game now in full swing, Asa stands by the edge of the bed, plops her left leg up onto the box spring, and urges Mr. Pete to try out the health of her other holes. Being bumped from behind, Asa throws Ann Marie onto of the bed, pulling her open like a vice to devour her insanely pretty pussy. "Does it hurt when I do this?" Asa jokes, jabbing Ann Marie with two fingers and her tongue.

When the floor becomes too slippery for Asa's tiny feet to continue, she hops on Mr. Pete in cowgirl position. Getting enviable leverage on his shaft, Mr. Pete is treated like a human pogo stick as Asa goes to town. "Is this seat taken?" Ann Marie charges, squatting on Mr. Pete's head until his entire face is covered with her warm beaver.

Flipping the girls around in several more configurations and stacking them up like pancakes, Mr. Pete is rewarded with a heavenly blowjob. Ann Marie is quick to fill her chipmunk cheeks with his frank, while Asa curls her candy tongue around his beans. Mr. Pete eventually plumps up, spilling his salty contents onto both sets of lips. It's hot!

Gracie Glam
& Nika Noir

Back at Jerry's place, Elaina (Kristina Rose) breaks things off with her boyfriend, Puddy, (Mark Wood); just as he proposes they take things to "another level." Feeling obliged to send him away with a "going away present," Kristina agrees to let Puddy fuck her up the ass as a sort of consolation prize. (i.e. Note to self: Break up with Kristina Rose immediately!)

Working him up in her mouth, Kristina begins by delivering one helluva blowjob

to Mark that leaves the entire cast and crew speechless. "I could suck your cock all day!" she gasps, as streams of warm saliva comes pooling from the sides of her lips. Mark holds her head in place—begging her to go in deeper and to chock on his cock. Like a good whore, Kristina does

exactly what she is told, reaching her own fingers inside her hole, giving Mark a taste of the sweet stuff.

"Fuck yeah, give me more!" he chugs back, pinning Kristina against the sofa to get a few mouthfuls of her prime-cut coochie. Grinding her greedy gash against his nose, Kristina begins to spew her sap all over his face.

"Yummy, I know that tastes good!" she sighs.

"That's it, I'm gonna fuck you up!" Mark hollers as he comes up for air. Planting his stick square up her ass in doggie position, Mark weeps at the sheer tightness of Kristina's buttocks. Smacking herself against his sausage, Mark finds it difficult to keep up with Kristina, as she proves to be a raging asshole of grand proportions. Once gaining his stride, Kristina's crapper gets turned inside out as Mark decides to go digging through her trenches, turning this pint-

sized princess into a glorious gaper maker! He continues to ravage her asshole in more positions, before dousing her thunder down under with healthy sprays of liquid cream from his hose.

With Krammer and Elaina out of the contest, can

Gerry withstand the

heat and stay out of Tessa's hothouse? Not a chance! Getting frisky on the couch yet again, Tessa ensures there will be no more interruptions. Yanking her leopard print panties to the side to paw at her pussy, James (Gerry) grows eight inches in his pants the moment he notices how smooth her hairless hoochie is. "Damn, this is so silky," he says, pressing his fingers into

“Girl-on-girl enthusiasts will approve of this lesbian scene...”

her moist, pink flesh. "How's the ass?" he later asks, spinning her around to get a taste of both holes at once.

"Do you approve?" she smiles, shaking her ass back and forth for his benefit. Smacking her buns hard enough to leave a print, James goes in for a preliminary lick. "This was worth the wait," he sighs under his breath, going in for another gooey tongue swipe.

"It's my turn now," Tessa teases, crawling over to James on her hands and knees. Bobbing his flogger across her forehead, Tessa is made to wait before James allows her to sample his goods. After an adequate amount of sexual tension has built up, Tessa's chest becomes inflamed with anticipation as she introduces James' cock to her tonsils. "I hate it when you tease me," she smirks, filling her mouth up with a double helping of nuts. "Quiet down—get busy," James interjects, wrapping her blonde hair around his fist like a rope.

Doing her best work in standing doggie and missionary position, Tessa proves her pussy was made for fucking. James obviously agrees, pulling out and popping his load into her waiting mouth. The results are oh-so-hot!

To add even more spice to the pot, there is an additional lesbian scene starring Gracie Glam and Nika Noir that girl-on-girl enthusiasts will certainly approve of. With so much raw comedy on the line, stellar directing, and the explosive sex we've come to expect from New Sensations—*Seinfeld 2: A XXX Parody* really delivers. Although the original sitcom will go down in history as a surefire classic, we are certain that same sentiment can be shared for porn's sexy rendition of the cult classic. Serenity now! ♣

CODY LOVE

When this lovely girl doesn't get the Valentine's Day treat she wishes, she's anything but sweet...

"You don't deserve the treat I was going to give you because you didn't get me what I wanted," Cody pouted to her man, stripping off her clothes until she was clad in her Valentine's Day lingerie...

As angry as she was that she didn't have the sweet treat she was craving in her mouth, her pussy was still gushing with a gooey liquid that was visible through the filmy fabric.

"All I wanted was something sweet with a creamy middle. You know how much I love it when the velvety surprise gushes down my throat. But, instead you brought me flowers. Shame on you!" She moans, coddling her puffy nub with excessive force.

Watching her boyfriend's bulge grow rapidly, Cody teases her fella and spreads her tumid lips open, displaying her glistening juices around her pink.

"I don't see why you should enjoy my delicious cupcake, so for now, I'm just going to have to treat myself," Miss Love growls, gently pulling on her growing garnish.

Finally—with her digits hard at work—her center pours out a generous helping of her homemade sweet, and she hurriedly laps it up with her fingers.

Licking her chops, Cody musters, "Mmm, perhaps next year you'll listen to what I really want." ♣

THEATER TRYST

My girlfriend, Maggie, has commented on more than one occasion that I lack spontaneity, so last week I decided to do something to refute that. I'm an architect and had access to an old movie theater that was closed to prepare for renovations. Last week, we stopped in after a romantic candlelit dinner.

We entered into a hallway lined with movie posters from 40 years ago, and that's when Maggie picked up on where we were, teasing me about what movie was playing. "Let's find a seat and see what's in store," I replied.

We shuffled through the dark to our seats, and I grabbed her hand and placed it on my crotch. She turned her head so I could kiss her lips, and I could tell she was getting excited. My hand slid under Maggie's shirt as our kisses deepened. She groaned against my mouth as my hand reached her breasts and I slid my lips down across her neck. My hands moved to unclasp her bra, and moments later; her upper body

was completely exposed to the air and my mouth. We broke apart to remove my shirt so I could feel her body slide against my naked flesh. "You're sure no one else comes here?" she asked, and as I undressed her, I assured her that the cleaner only worked during the daytime. "Well, that's good," Maggie replied, as she slowly kissed her way down to my cock.

Maggie started working over my dick with her hands. Suddenly, she took the whole shaft into her mouth and down her throat in one swoop. She then took it out and licked it as if it was one of the tastiest ice cream cones she ever had.

"I want you here—right now. I have to get inside you," I explained, as I laid her down across the seats, grabbed her hips and slid my cock into her in one slick, hot stroke. I started pounding her hard and watched her breasts bounce as I pulled her closer for deeper penetration. There was a noise from the center aisle, but we were too far-gone to pay it any mind. I could feel Maggie's pleasure mount as her wetness drenched my balls and I threw her legs over my shoulders so I could ride us both to orgasm.

We were fucking hard and fast and shook the whole row of seats with our passion. Our grunts and moans were the ultimate erotic soundtrack. Moments later, Maggie howled with pleasure and I felt her pussy clench around my rigid dick, which spurred me to join her in release. I relaxed and let my body fall atop her—our sweaty flesh joined in satisfaction. Almost immediately, we heard the sound of a door opening and closing behind us, then silence again until Maggie broke out in giggles. "I hope they enjoyed the show," she laughed. She covered my face with kisses and added, "I know I did!" **"Movie Star" - Oregon**

MY HORNY VALENTINE

Angelina Valentine from your November issue has a real slutty look about her. It's the kind of look that tells me there is a very nasty mind at work behind that pretty face. The kind of mind that wouldn't hesitate to go to work on a guy she hardly knows—jamming his hard cock into the back of her throat and then sucking it dry. All of this is just a preamble to what's really on her mind—which is to take my spit-lubed cock and guide it into her hole. Then when she'd gotten me frothing, she'd be the type to whip it out and swallow it all! My type of girl, in other words—and in hers as well! Thanks for the interview on this wicked slut. **"Nasty Nailer" - New Mexico**

Some guys may find themselves intimidated by Angelina with her smoldering looks and nasty mouth, but I'd be more than happy to try to keep up with her, and I think I've got the right tool for the job. I want to fill her to capacity until she's climbing the walls with ecstasy and give her poon tang the fucking of its life. She's got plump, cock-sucker lips that I'd love to see wrapped around my rod because I know she gives an amazing blowjob and never runs from a load across that fabulous face. I've already given Angelina my first load of the day, but just the thought of my hot cum running down her face and dropping onto her amazing double d's has me ready to crank my shank again. **"Angelina's Fuckstick" - Kentucky**

HER DARING NY ADVENTURE

I visited New York with my mom and dad last summer after I graduated high school. We did all the tourist sights together, but I also wanted to have one adventure alone with a New York guy. Since my parents and I shared a hotel

Andrew and he was originally from Minnesota, working in web design. He'd been in New York for three years since graduating college and he suggested we get a burger at one of the outdoor restaurants. Of course, I couldn't drink since I was only 18, but that didn't matter because I was feeling a little high over the whole experience. We decided to go out for dinner instead, and I remember thinking it was wonderful casually meeting a guy on a warm summer Saturday night in New York.

My parents and I agreed I would stay out until midnight. By 9:30, Andrew and I were finished with our dinner and we walked around Times Square. Under my long, loose dress I felt practically naked and all I had on were my panties. Luckily my dress had an open button front and I knew Andrew could see a little cleavage. I felt less sure of myself here in New York than back in small town Ohio, but all I needed

”

room to save money, I had to go into the shower to masturbate and calm myself down from all the fantasies I was having!

I convinced them they should take one romantic evening for themselves. After they left, I walked over to a small plaza near our hotel and I saw people were laughing and drinking at outdoor restaurants. I sat on a bench and a few guys looked at me and smiled. I had my phone with me so I texted my friends back in Ohio about what I was doing. I was writing how surprised I was how nobody came over to talk, when suddenly this cute guy who was maybe 25 sat down on the bench. We smiled at each other, but nothing more. I finished writing my text and then we began to talk. His name was

was some urban experience. Andrew and I went over to a beautiful park next to the public library on 42nd Street and sat on the grass and kissed. It was so nice, I could have lied there for hours with him, but I knew I only had until midnight. I asked if Andrew knew a place we could go to for a little while before I had to get back to my parents at our hotel.

He shared an apartment not too far away from the library on a side street. He didn't make that much money yet, so he had to keep expenses down. His apartment was amazing for what it was worth—an oversized duplex! He had four roommates, but nobody else was home. I was shaking when we got to the place and I felt more naked than ever under my dress—even my feet felt naked even though I was wearing sandals. We kissed almost from the moment we got into the apartment. Andrew felt my breasts through the dress and looked amazed at how hard my nipples were. He led me into the bedroom where I pulled off my dress as fast as he pulled off his clothes. I think he liked my slender body that I guess, would make me fit right in with the women of New York. His cock was immediately hard and I stroked it, but I wasn't ready to suck it or

anything. We lay down on the bed and I jerked him off while we kissed as he played with my breasts. It was so exciting just to do this, and I realized if I slowed down a little there would be plenty of time for whatever. Andrew wanted to put his sausage in me, but I told him he would have to use a condom, which he thankfully had in his dresser drawer. I told him not to get up too fast because I was enjoying the intense make out session. "Whatever you like," he said, and those were the words I most wanted to hear! I realized I couldn't go so fast, and just laying there with this

cute guy kissing and stroking was enough. I rubbed my hands all over his nice chest and body and jerked off Andrew until he came all over my hand. I couldn't believe it—feeling his stuff spurt on my fingers and wrist made me cum! I decided this was enough for my first New York sex adventure, and told Andrew we'd meet again for more when I return to New York someday soon.

I got back to the hotel ten minutes after midnight and my parents didn't get back for another hour! ***Stroking the Sights, Hindenburg, OH***

STARE THAT STIMULATES?

I had just gotten home from running in my workout shorts and top and I was fuming! My girlfriend, Lauren—sitting at the breakfast table naked and drinking her coffee—picked up on my bad mood as I went to get some orange juice. She came over and asked what was wrong.

"This older guy stared at me as I was walking home. He was sitting outdoors at

a café and he gave me an expression like I was a slut for wearing my sports bra and shorts and made me feel like a prostitute for showing off a toned tummy and good ass! He looked me all over, and then raised his eyebrows and shrugged and went back to his newspaper. The asshole!"

Lauren put her arm around me. Her hand squeezed my butt as she kissed my

neck. "The guy was probably horny for you, but knew he'd never get a chance."

I drank my orange juice and faced Lauren. Her breasts felt good against me, and my nipples stiffened in my stretchy bra. I pulled it off so I could rub them naked against Lauren. She slipped her fingers into the waistband of my shorts and tugged them down my ass.

"You smell so sexy when you come back from your jog."

"No, I smell—"

"Like a strong female."

"That old guy made me feel like I should be barefoot and pregnant and stay in a kitchen."

My shorts puddled at my ankles and Lauren helped me out of them. Then she undid the laces of my trainers and in a moment I was naked. "Let me take a shower first," I said.

"No, I like you this way," she whispered, pulling me to the bedroom.

Lauren is not athletic herself, but she must have a fast metabolism because she always looks good in spite of not doing any sports. We're opposites. Maybe that's why we share such a nice attraction.

We soon lay on the bed—our bodies writhing against one another. "My sexy Sherri," Lauren said. I was Lauren's first female lover, but with her skills and passion for pussy, it's hard to tell. She licked my breasts and took my nipples in her mouth. I kept thinking about that old dude with his judgmental stare, as I'm well aware of how that older generation thinks. He only wished he could have fucked me! He looked like he was about 50, maybe more. "Well, doofus, I'm out of your league," I thought. But I couldn't get his condescending expression out of my mind.

"Ohhh, Sherrrrr!" said Lauren, enjoying herself. She kissed my stomach, which is smooth without having washboard abs—and her fingers trailed my pussy. I don't understand why Lauren likes to go down on me when I come home sweaty, but there she was, her face down between my thighs.

Still, I have to admit, there's something nice about having a girlfriend who likes you even at your funkiest. Lauren

used to be married to a guy, but that didn't work, obviously, and after her divorce, we met on line at the supermarket. In three days, we were lovers. In two weeks, we moved in together.

I closed my eyes while Lauren licked my pussy. I had taught her how I like it. First, some kissing all over then parting the lips and licking them—with a deep concentration on the clit. Lauren was a good pupil as I was so wet. I held her by her hair as she ate me.

With her pussy-licking skills, sometimes I think all she wanted to do was to eat me! I guess she'd been waiting for a girl for a long time.

I played with my nipples as I surrendered to the lapping of her tongue. My thighs felt sweaty and my bare feet curled against the sheets. I opened my eyes and looked at the bare ceiling and I could visualize that old guy. I really wondered what went through his head. My great body and my obvious strength probably threatened him. He was from a different, sexist generation. He couldn't handle strong women like me.

"You little gray-haired bastard," I thought, clenching my fists against the sheets, "I'd like to put you over my knee and...!"

These angry thoughts—combined with Lauren's ever-faster licking—kicked my pussy into overdrive. I was so close to cumming that I was shaking. My nipples felt like pebbles, and I squeezed them hard. All I saw were the top of Lauren's head and her eyes as her mouth kept licking. Yes, I was almost there. Almost—yes, almost! And then I did go over the top, twitching away from Lauren's mouth and grabbing my pussy, cumming all over my own hand, burying my face in a pillow.

It was an incredible orgasm, but I wondered how much my annoyance with that old fart—and my desire to teach him a lesson—had to do with it! **Fierce Female, San Diego, CA**

EYES ON MY THIGHS

25696

And then I did go over the top, twitching away from Lauren's mouth and grabbing my pussy, cumming all over my own hand...

I was in a restaurant with my boyfriend, Tommy, and we were sitting there talking and drinking and then this cute guy—around our age or maybe a couple years older—sat at the next table. He ordered his food and then he talked on his cell while drinking a beer. I could see how he was looking me over a little—especially down at my thighs. I was wearing nice, tight shorts and I have sexy thighs. My legs were crossed, and you know how that can make thighs look even hotter. A boy always wants to put his hands between a woman's thighs when they are crossed, that's what I know.

I looked at the cute guy and then I looked at my boyfriend and then we all looked at each other. We started talking—just like that—but I don't remember everything we talked about, but one thing was about the restaurant being a

good one if you got the right waiters. Our new friend (Jason) got a good waiter and his food came fast as we all sat there chatting.

Jason kept looking at my thighs, not like a creep, but just every once in a while to let me know he was still thinking about them; so I shifted my body under my table so he could see them better. Soon, Tommy and I got ready to leave and Jason asked where we were going. We said just walking around, and if he wanted to join us. As if he didn't! Jason went to the cashier to pay his bill and Tommy and I agreed to take him home with us if he wanted.

We got ice cream and walked around then asked Jason to stop by our place for a drink. Jason came with us and soon, we were in the living room enjoying our cocktails, and I couldn't help but notice Jason smiling and looking at my thighs. "You got some eyes for my thighs," I laughed. "No kidding," said Jason, and Tommy said it was okay for Jason to touch. Soon, I was kissing Jason while he put his hand between my thighs and squeezed them, not hard but nicely. I kept my shorts on for a while and he rubbed the crotch, but I think he could feel I had no panties from how wet I was. Tommy took off my top and played with my tits. It was nice to be in a sandwich with these two sexy boys.

We drank a little more and got undressed and then Jason said he wanted to lick my thighs. Tommy told him he didn't have to ask, and just do it. I looked down and played with my pussy while Jason enjoyed my thighs and got himself a big boner while he was doing it. I told him to jerk his cock while he kissed my thighs all over. Meanwhile, Tommy took out his cock and put it in my mouth. Jason looked up from my thighs and said that looked good and he wanted to get blown, too. I told him to stay at my thighs because I wanted to blow my boyfriend first. We all laughed and I went back to blowing Tommy while Jason kissed my thighs.

I opened my legs and pointed to my pussy and told Jason to eat it now. He went right to it—kissing my bald mound

and spreading it with his lips while licking my clit. I kept Tommy's cock in my mouth while I watched Jason, but then Tommy got mad and told me to pay more attention to him. I got mad at Tommy and told him if he had an attitude to eat my pussy instead while I blew Jason? Tommy said something under his breath and I told him not to get smart with me and get down to my pussy. Tommy knows I'm in charge of him. He's crazy like Jason about my thighs, too—it all starts with my thighs with a lot of guys. That's why the warmer weather is so good for me—I can wear shorts.

However, what fun is it just to blow and get eaten? When I was ready, I told Tommy to put his cock in my butt and Jason to put his in my pussy, and I noticed both boys held on my thighs while they fucked me. Maybe I have magic thighs or something? They sure made those boys cum a lot—But only after I came first! *Squeeze 'Em, Denver, CO*

THE GRAND CLEAVAGE

When I decide to sleep with a guy, I always wear a certain dress that shows off my cleavage. We go to a nice place for dinner, enjoy some good wine, and I have the opportunity to show myself off to build up the guy's anticipation. I like to feel his appreciative eyes on my "rack"—with him wondering how warm my cleavage would feel if he could slip his fingers in there. Many times, I've been tempted across a dinner table to put a guy's hand in, but I'm not an exhibitionist and I'd rather keep him wondering.

I let the guy watch as I shift myself in my chair—my "knockers" shaking slightly in the top of my dress—showing off the curves of my tits on the side where the dress falls away slightly. As you can imagine, I've thought this out very carefully. Well, why not? It gets me aroused to see you boys getting hot.

I'll dab some nice perfume between my breasts so that the atmosphere between us will always make him think of my body and how he's going to enjoy it.

When we leave the restaurant, I like the guy to treat me in an old-fashioned way, such as putting my coat around my shoulders. That's not just for my benefit, however. When he stands behind me, he gets another view of my bosom, which is just as spectacular as the one from the front. After all, when it comes to tourism, I'm sure there isn't just one vantage point at the Grand Canyon. Why should there be with my grand cleavage?

When we finally get home to my place, we kiss in the foyer and then work our way into the bedroom. I savor the man's hands on my "cans" for the first time, his fingers squeezing my beauties through the dress. Then I like to watch his eyes as I reach behind my back and unzip my dress so that I can let my brassiere-covered "headlights" out into the air.

In the bedroom, I sit him down and rub my tits, still in the bra, across his face, while I reach down and rub his cock through his pants. I then kiss his mouth slowly, but passionately—letting him feel

“Faster, faster,” I told him, feeling my pussy drenched below, and usually it doesn't take him long to finally shoot out all his lovely cream...

the nearness of my tits and see the nipples hardening through the lace of the cups. I rubbed his cock until it was stiff, and then I fished it out of his fly and got down on my knees and press it between my tits. I know lace can feel a little scratchy on even the hardest penis, so I only did it for a few seconds. Then I reached behind myself against and unsnap the bra, letting out my boobs like animals uncaged from a zoo. It's fine to imagine that's a strange way for a girl to think of her tits, but they're strong like animals, and I think it's appropriate. I'll let my bra tumble to the floor, and as his eyes popped at the sight of my naked wonders, I wrapped them around his cock.

I moved my tight cleavage up and down on his meat until the tip peeped out and I could give it a lick. I did that a few times until I get really excited to put the whole thing in my mouth.

I didn't stay on my knees long. I got up and took off the rest of my dress and then I was just standing there in my panties. I tugged the guy towards me by his dick and led him to the bed. He's usually pulling his clothes off by that time, and soon we're naked, rolling on the

sheets—with his cock big and throbbing against my legs. I told him I wanted it first between my tits. I pulled him up so that he can straddle my chest and press his shaft between my jugs. I crammed my flesh around him and told him to fuck my tits like he's never going to get a chance at them again. The strangeness of that sentence always makes the guy a little desperate, as if when he's horny he can almost believe it—and get scared about

it—so I always get a great first tittie-fuck then—as if the guy plowing my boobs might lose them forever. “Faster, faster,” I told him, feeling my pussy drenched below, and usually it doesn't take him long to finally shoot out all his lovely cream right in my cleavage. I wiped it up with my fingers and fed it into my own lips and that makes me cum, too.

Oh my god—I love having beautiful tits! **Happy and Chesty, Phoenix, AZ**

IMPATIENT FOR PRICK

I leaned against the restaurant waiting for Justin. He was supposed to have been here two hours ago, and I was fed up. I was so angry that I didn't want dinner anymore. He really had a lot of nerve! As I

stood there sending him yet another text he didn't answer, I knew I could get a million other guys. For example, I have really nice legs, not like those knotty muscular

gym legs too many females have these days, but shapely, old school, Hollywood-type legs; and when I stand on the street, even just to text my tardy “date,” I know how to pose on my heels in a way that makes guys drool. All I’d have to do is look up from my phone and crook my finger at one of these guys walking by—and a lot of them are cute—and I could forget all about Justin and his bullshit. But no, that would be smart. I guess I’m just dumb and stuck on Justin and the way he looks and uses his cock. Damn him!

It was chilly and I pulled my burgundy Pashmina around my shoulders. I looked hot and had even worn my new little black dress for our dinner date. What a joke. “Okay,” I thought, “One more text”—but then Justin came sauntering up the street with that smile of his and I melted yet again. I must be mental.

What was his excuse this time? A potential distributor he had to schmooze. Justin was trying to market a new steak sauce that he and a cook friend had dreamed up—and he always had some last-minute meeting or other. I thought, “Why do I get so impatient? It isn’t like Justin is seeing another girl; he’s just trying to make his business successful. Isn’t that a good thing?”

So, we walked back to my apartment with Justin’s arm around my shoulders, and I could hear the heels of my black pumps clicking on the sidewalk and I kept thinking, “With legs like mine, I shouldn’t have to put up with this.”

But I did. Over some wine, Justin told me all about how the distributor looked like he would go for the deal, and I couldn’t help but notice how Justin looks so sexy when he’s high on his plans and hopes. I

“ I went balls-deep on Justin’s prick, as I’m good at giving head. I looked up and Justin’s eyes were closed and he was in heaven...”

forgave him about dinner and we started fooling around, laughing and having a good time. Then, Justin scooped me up in his arms and carried me into the bedroom. I kicked my legs—still wearing my heels—squealing like the fool I was; but I like being carried by Justin—it just feels good. After all, he was in a conqueror’s mood. He put me on the bed and I pulled off my clothes while he looked down at me and stripped. He wasn’t hard yet, so I reached

over and put him in my mouth. I like him growing between my lips when I’m on my knees—naked on the bed—feeling my smooth waxed legs underneath me. I went balls-deep on Justin’s prick, as I’m good at giving head. I looked up and Justin’s eyes were closed and he was in heaven. The conqueror’s reward indeed.

“You just better not go with another girl,” I thought, sucking hard on his dick—holding his balls in my hand gently, but squeezing them a little now and then. “Keep me waiting like that in front of the restaurant, you cocky bastard. I just couldn’t help but wonder what you were up to.” I slid my lips back off his dick and then licked and kissed his big, shiny tip. My saliva mixed with his pre-cum, and I sucked it all into my mouth as I took him down to the balls again.

Justin mumbled something about how my mouth was driving him nuts. That’s always good to hear. I squeezed my fingers in his ass and blew him harder—loosening my lips so that his dick slid back and forth easily over my tongue. However, as he got harder and hotter I tightened my mouth, and decided that this was how he was going to cum.

Oh sure, I could have let him fuck me, but I had to pay him back for making me wait.

“Oh no, baby, no! Not yet!” Justin cried, but it was too late, and he started splashing himself down my throat. Yummy. Still, someday I want to clamp his cock between my legs and make him cum on my calves and hold him in the power of my legs just like I do in the power of my mouth. “Ah, you cocky bastard,” I thought, “I wish I didn’t love you. But I do and you’re mine.” ***“Stuck On Him, Atlanta, GA ♣***

VERA & NATALY

After a boring date leaves Nataly unsatisfied, Vera shows her what she's missing...

"Oh my god, it was just awful. He barely moved," Nataly, complains to her roommate about her attempted sexcapade with the man she'd been dating. "I mean, his pussy skills were just horrendous," she bitches...

"I'm sorry, Nat. I bet I know what he should've done to satisfy you," Vera chimes in, as the vivacious vixen moves towards Nataly, stealing a passionate kiss. Already, Nataly's body begins to loosen as she takes the reins, removing Vera's top and lightly nibbles on her perky nipples. With the pairs of hands roaming all over the curves of each other's bodies, Nataly moves her roommate to lie down on the bed as she can't help herself but bask in her friend's musky scent before devouring her moist mound.

"Mmm...you seem to know what I like," Vera groans, as her clam is swallowed by Nataly's mouth. With one finger plowing into Vera's flooded cave, Nataly doesn't miss a drop of her silky wash as she hungrily laps it up like a feral cat.

"My turn now," Vera says, after a ferocious shake from the wild cum session. In a quick second, Vera starts to munch on Nataly's pink, moving her tongue at warped speed on her puffy button. "See, baby, I know you like it fast," she groans, as the sexy slut pinches and nibbles at Nataly's taut thighs teasing her further. "And I know how much you like a challenge," she bellows, as Nataly begs for her friend's tongue.

In one final lick of Nataly's rough tongue, Vera's insides go into overdrive as she quakes the bed, with a puddle of her pussy surging down her throat and chin, leaving an immense wet spot on the sheets.

"I'm going to tell you this once, Nataly: 'Never let a man do a woman's job.'" ♣

2010

THE YEAR IN REVIEW

From tweets and twats to guidos and gash—2010 sprung into action, instantly promising to be a year like no other! Directly immersed in a new world seasoned with celebrity sex scandals, landmark court cases, porn star acquisitions, and a plethora of parodies—the adult industry is ending this decade in ultra high-gear. With a more solid grasp of where the porn frontier might lead to next—the visionaries, producers, and performers of pornography remain optimistic. Maintaining a bright outlook on the future, industry veterans and hopeful newcomers are forging ahead—forecasting a climate change that will undoubtedly reshape and revamp the next decade of adult entertainment. Here are some of porn's highlights of 2010.

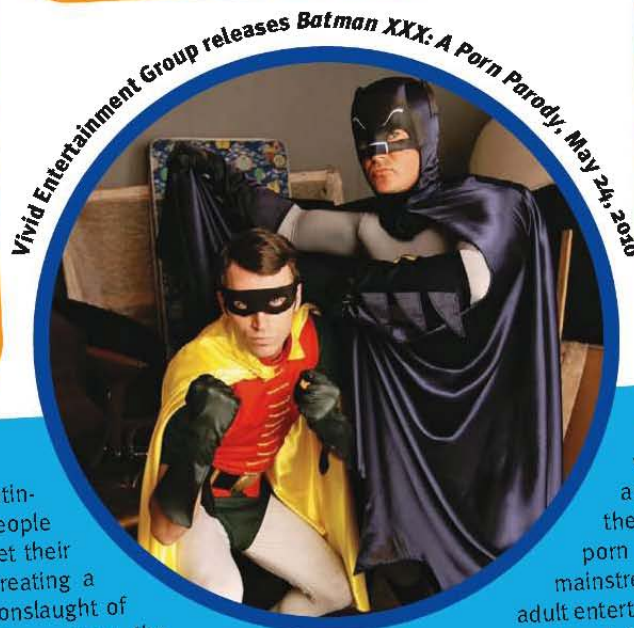

And the Award Goes To...

Ring in the new year in Las Vegas, Nevada, the 2010 AVN Awards Show tipped the scales by honoring the best of the best. Aligning at the Palms Casino Resort, the stars shined brightly for what would become a night to remember. Taking home top prize of "Female Performer of the Year," **Tori Black**—porn's equivalent of an A-List star—broke records by also collecting a legion of awards that also included: "Best Three-way Sex Scene," "Best Tease Performance," as well as a score of other top accolades that properly honored this chick's obvious penchant for both prick and pussy. Another performer earning accolades for his mega wang was **Manuel Ferrara**—the well-hung Frenchman that is on the top of every starlet's list. Seizing the coveted title of "Male Performer of the Year" for the third time in his career, Ferrara rightly etched his legendary status into stone. Moreover, Adam & Eve Pictures's post-apocalyptic cockbuster, *The 8th Day*, scored seven awards, including one for "Best Video Feature," thus setting the bar high for future productions to follow.

Although we have a special spot and big boner for our beloved porn princesses, what would adult be without the skill and vision of its elite directors? Running away with the "Best Parody of the Year" award for *The Sex Files: A Dark XXX Parody*, director, **Lee Roy Myers**, swiftly ascended to the top of his field. Turning out such classic hits this year as: *The Golden Girls: A XXX MILF Parody* and *Seinfeld 2: A XXX Parody*—Myers also segued into creating a more couple's friendly product with his contribution to New Sensations's Romance—a new line from the bustling production company—releasing movies such as *An Eternal Love 2: Reckless Heart* and *The Wedding Day*. After an amicable split from the New Sensations dynasty, Myers is now a free agent looking to "...See what lies ahead and take the next step in my career..." With such an astute eye for creating magic with his lens, we can all expect great projects to come.

Carnal Comedies

Conversely, Internet content continued to thrive as more and more people are turning to their computers to get their fill of adult entertainment. Also creating a strong presence this year was the onslaught of parody projects. Being produced from across the board—including endeavors from companies like Vouyer Media and Zero Tolerance—production outfits more known for delivering wall-to-wall sexual material, as opposed to *Taxi: A Hardcore Parody* and *Official Jersey Shore Parody*, respectively. Either way, parodies remain an industry giant, continuing to line the

shelves and receive record sales with A-List actors and actresses such as Tina Fey and Zach Braff even taking their hats off to their signature parodied porn star in public. Thanks to a mix of mainstream notoriety and an abundance of adult entertainment news bites, New Sensation's top rated website, www.AXXXXParody.com received their millionth download this year, demonstrating the public's love of hardcore parody projects.

With such an incredible accomplishment, no one movie was more highly anticipated in 2010 than "Director of the Year: Body of Work" (XBiz Awards) recipient, Axel Braun, with *Batman XXX: A*

Porn Parody. His sexy spoof of the campy 1960's television classic continues to break records by topping the charts and outselling its competition. Also delving into the superhero arena and creating a "Tale of the Cape" was Bluebird Films, with their release of *Batfucks*—a more dark and ominous version that followed the popular *Dark Night* franchise. Both dripping with enough "batcum" to solidify them as porno cult classics, expect more superhero themed movies to flood the marketplace in the months to come, including *Superman XXX: A Porn Parody*—another project helmed by ace director, Axel Braun.

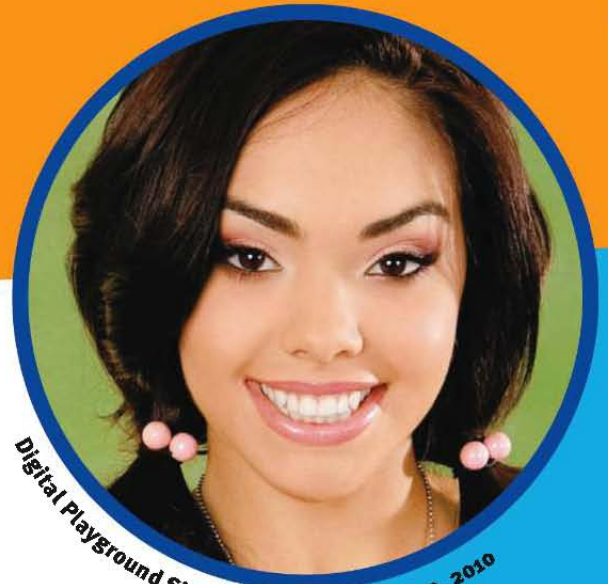

Industry Surprises and Pussy Partings

2010 also marked much angst and excitement stemming from a fruitful award's season, as the year continued to evolve on a positive note with sexy porn star acquisitions and several new surprises.

In the first week of the new year, superstar, Kayden Kross, shocked the industry when she announced she'd be taking on the new title of Digital Playground contract girl. After an amicable split from her previous contract company, Adam & Eve Pictures, Kross was anxious to take her career to the next level, stating: "I thrive under pressure, and I think Digital Playground will provide the direction and support that I'll need to get there."

Another industry veteran parting ways with his parent company, Vivid Entertainment Group, is Hall of Fame Director, Paul Thomas. Now aligned with a six-picture deal with LFP Video, Thomas is looking forward to having full creative control over his work, stating, "For the first time in my long career, I am my own boss." With such an acclaimed pedigree of hardcore success, the world awaits Thomas's next vision.

Aptly taking her place in the Adam & Eve family, Teagan Presley—the well-known starlet and co-owner of skinworXXX—a

highly regarded production company—joined contract sisters, Bree Olson and Alexis Ford for what might be one of the sexiest contract lineups in porn history.

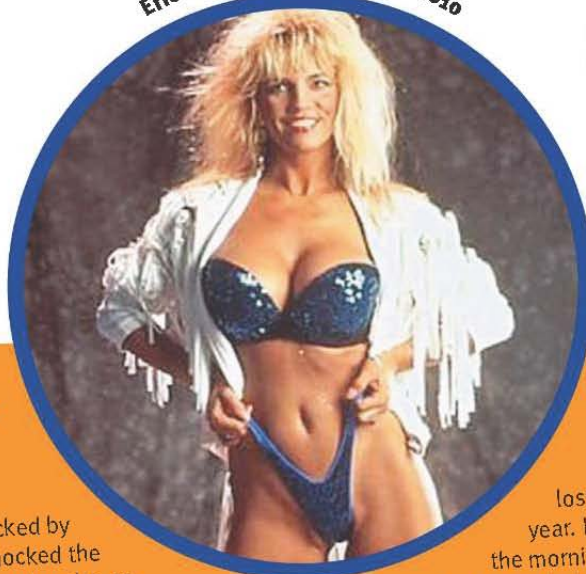

Adding a little more spice to the pot, Digital Playground later announced their acquisition of Latina heartthrob, Selena Rose, to their lusty legion of femme fatales. Also jumping on the Latina bandwagon was Wicked Pictures when they signed Spanish sensation, Lupe Fuentes—a pint-sized stunner weighing in at 89 pounds and standing a mere 4'9." "She is a great addition to what we feel is the strongest Wicked Girl lineup ever." Steve Orenstein, President of Wicked Pictures, enthusiastically announced earlier this year.

In addition, Zero Tolerance later struck gold by attaining two of the hottest blondes ever to grace the adult industry by signing Sara Sloane and 2010 "Best New Starlet" winner—Kagney Linn Karter—to exclusive contracts.

If that weren't enough, the adult industry even went as far as to adopt a lethal MMA fighter and city brawler, War Machine, into the mix. Making his porn star debut in Digital Playground's, *Riley Loves War Machine* back in January. However, at a porn actress's birthday party, War Machine reportedly started an altercation and fled the scene before the police arrived. Later that night, he reported his dirty movie demise on his Twitter saying, "Pretty sure my porn days are over...prolly going to jail too...when they find me haha!" And they did. He is currently serving a one-year sentence at The San Diego

Erica Boyer dies January 1, 2010

Central Jail for the birthday brawl as well as another assault charge that happened in March of this year.

The Year in Shock

Sadly, the adult industry was also rocked by scandal as porn actor, Steve Driver, shocked the world when he reportedly brutally murdered a co-worker with a samurai sword and injured three others, after being fired from Ultima DVD. After fleeing from authorities, Driver allegedly leapt to his death in Chatsworth, California, sending shockwaves throughout Porn Valley and the nation.

In addition to this tragedy, the porn world also laid a legend to rest when Jamie Gillis lost his battle with melanoma. Leaving an impressive body of work and many loved ones behind, his legacy will live

on though his classic hits such as: *Aunt Peg's Fulfillment* and *Debbie Does 'Em All*—both being re-released by VCX and Cal Vista Classics.

Speaking of Aunt Peg, the porn world lost Juliet Anderson (a.k.a. Aunt Peg) this year. Her body was discovered by a friend on the morning of January 11, 2010. He stated that he had arrived at Anderson's residence to take her to a doctor's appointment for a colonoscopy to help with the treatment of her Crohn's disease. He furthermore indicated that he found Anderson in her bed, with nothing in the room appearing to be "Out of the ordinary."

Another legend, AVN Hall of Famer Erica Boyer, died after being struck by a car in Panama City Beach, Florida on New Year's Eve. She had turned 53 a little more than a week prior.

Stormy Daniels secedes from Senate race April 15, 2010

Erica, whose real name was Amanda Jensen, was crossing an intersection as a pedestrian at around 8:20pm on December 31st, and while attempting to cross, she was struck by a car. Amanda died instantly. Boyer began her career with one movie in 1974, and then after a hiatus, she returned five years later and appeared in over 300 adult films. Her final role was for the movie, *Dark Chambers*, which starred the late Marilyn Chambers in 1999.

Erika Eve, who was a well known and award-winning feature dancer, also passed away in January. She was just 33 years old. Eve

had been featured in many men's magazines, including some published by this company, and had won various titles in the feature entertainer world over her 10-year career, including "Miss Nude 2007."

We also had to say farewell to teen starlet, Ami Jordan—a 19-year-old newbie and Tennessee native who passed away from unknown causes.

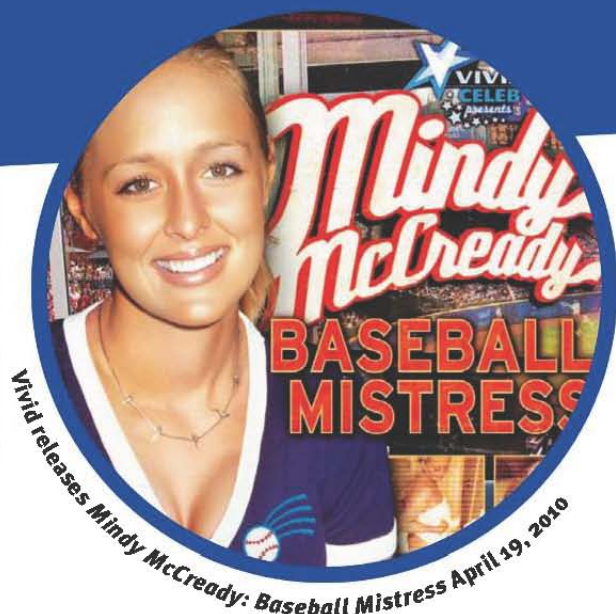

Porker in the Court

Stars also did their part to end the decade with headline news. For one, Stormy Daniels decided not to challenge Republican

incumbent, David Vitter, for his Louisiana Senate seat, citing lack of funds as the case.

Probably the most prolific porn case since Larry Flynt's free speech standing was when John Stagliano—owner of Evil Angel Productions—was dismissed from the Obscenity Prosecution Task Force's seven-count indictment charges filed against he and his companies, creating a banner day for the adult entertainment industry! Escaping what could've been a 32-year imprisonment, and the seizing of his company and private property, U.S. District Judge, Richard J. Leon, said: "I trust the government will learn a lesson from its experience in this case."

On the contrary to this incredible triumph, porn legend, Janine Lindemulder's bitter battle with ex-husband, Jesse James, regarding the custody of their seven-year old daughter, Sunny, came to end. In July, the court decided that the two parents

would share legal custody of the child and that James could move her to Texas to live with him. A small victory for a man who was riddled by scandal and hit by a very public divorce due to his extramarital affairs that included one with tattoo fetish model, Michelle "Bombshell" McGee. Good thing Janine looks damn fine in cowboy boots and a Stetson, as it is possible she will call Texas her new home!

Horny Hollywood and Sport Smut

The world thought Lindsay Lohan's public panty-less display was the most we were going to see of her meat curtains, which, in a sense, is true. However, *Hustler* has a mind of their own, and since Tinsel Town's troubled star's 90-day July sentence for failure to obey her probation for her alcohol-induced public antics, the production company spun the web for *Hustler's Untrue Hollywood Stories: Lindsay Goes to Jail* parody to thrive.

Other celebrity sex tapes such as: *Kendra Exposed* (showcasing former Playboy Playmate Kendra Wilkinson's sexual exploits) and *Mindy McCready: Baseball Mistress*—both released through Vivid—also did quite well. In fact, Steven Hirsch, Founder and Co-Chairman of Vivid revealed, "We had over a million people come to our website within the first 12 hours of us releasing Kendra's video. Not all of those people bought [it], obviously, but the interest was enormous!" He later added that Vivid's first day sales of *Kendra Exposed* were the company's highest ever.

Also quite scandalous was the filthy fall of golfing legend, Tiger Woods, creating a firestorm of exploitive parodies, such as *The 11th Hole* by Vivid Entertainment, *Tiger's Tail* by Zero Tolerance,

Tyler's Wood by Adam & Eve, and *Joslyn James: Tiger Tamer* by Mercenary Pictures. We also began to see an insurgence of related "Tiger" products lining the marketplace, including a line of Tiger Woods specialty condoms, created by Practice Safe Policy. "They're the Cadillac of protection. What a better way to 'drive in' the new year then with Tiger condoms?" joked Benjamin Sherman, the company's founder.

New Waves in Nympholand

With sales of porn on the rise, the adult entertainment industry came up with more innovative ways to get their sales pumping. Porn pioneers, Vivid, is projecting 80 percent of *Kendra Exposed* sales to come from the Internet, while 70 percent of Kim

EXXOTICA Expo rocks Miami Beach May 14-16, 2010

Kardashian's sex tape, *Kim Kardashian Superstar*, back in 2007, came from DVD. Both releases show the shift in the way fans now consume content. Once television innovations come to fruition, such as the Smart TV—the industry can expect to receive bigger sales and more opportunity. With this new technology, people will be able to watch thousands of adult movies on their televisions 24 hours a day. Now that's a lot of smut!

Coast-to-Coast Conventions

Popular convention shows didn't leave the year unscathed, either. They too experienced an overhaul of sorts as popular shows came to an end, giving rise to new and better conventions to follow. With proven success from the New York and Miami shows and due to the

vacancy left by the Erotica L.A. franchise—EXXotica L.A. made its star-studded debut this year. Sprinkled with A-List exhibitors such as: Evil Angel, HotMovies, Belladonna Entertainment, and plenty of stars—the show proved to be a smashing success, likely creating a series of sexy shows to follow.

The Be All to End All...

With so many naughty thrills and juicy spills, it's safe to say that 2010 left quite an impression. Taking many hits by way of company reconfigurations, lulling economies, the onslaught of online piracy, and numerous legal battles—the porn community continues to forge ahead into the next decade. As more battles are won and lessons are learned, the adult industry is locked into position proving, yet again, that pornography is here to stay! ♣

JILLING WITH A JOINT

I love to masturbate and often think about my man, Andy, when I'm spending an evening "Jilling" on the couch. Get it? "Jilling"—as opposed to "Jacking?" I lie back with a vision of him in my head, and think of what he could be doing to me and my hand moves of its own accord between my legs and touches the nub of my clit just where I want his tongue.

I let myself go and my finger massages gently, but quickly, as I feel the wetness begin. I spread my legs wider to rub the juices around, and I'm so engrossed in my pleasure I never even hear him enter the room. When I spot him, he says: "Don't stop. I want to watch you."

Andy then unzips his jeans and lets them fall so I can see the fat swell of his cock straining against the tight underwear. I start frigging my clit again as I watch him strip out of them—that beautiful banana springing up fat and hard, bouncing against his stomach. "Show me what you are doing," he demands thickly, and I show him the slick line of my wet pussy as I dip my finger into the wetness and draw it up to rub it hard across my clit.

"Seconds later, I shake and moan with a mind-blowing orgasm of my own"

I am shaking with desire at this point—really enjoying Andy joining me for this frig session. He kneels on the couch next to my head, and I take his cock in my hand guiding it into my mouth. I suck hungrily with one hand on Andy's pulsing prick as the other works its magic on my pussy. My cunt floods with heat and juice and I rub myself harder and harder—sucking and stroking his cock between moans. Andy starts groaning as well and takes my head in his hands, moving it on his dick as he fucks my mouth. "Suck me—fuck yourself," is a chant he repeats over and over until his tool jerks and spits its frothy cum onto my tongue, over my lips, and down my chin. With his dick still dribbling over my face, my fingers go ballistic and seconds later, I shake and moan with an orgasm of my own.

Andy decides I'm deserving of another, so he dives between my thighs and buries his face in my musky wetness. He starts slowly around the outer lips, brushing them lightly with kisses, which is perfect because I'm now quite sensitive. He withdraws for a second, but my hips rise and push my crotch back up at him. He moves his mouth against my labia again, first the outer, then the inner. Then he pauses again—inner—outer—pause; inner—outer—clit. He starts driving me crazy and I beg for his tongue—I want something inside of me! I pull his head tightly against my crotch and grind my hips against his mouth as he flicks his tongue between my hole and clit, until I just about scream the house down. When Andy comes up for air, I kiss my girl goo off his face and invite him to join me in the shower. I've always enjoyed my solo sessions, but it's nice to know I can also have them with a side order of boyfriend! **"Friggin' with my Fellow" – West Virginia ♣**

TORRID TWOSOME

Yowza! You take Jesse Capelli—one of the hottest *Club* models ever—who's not known for getting real down and dirty hardcore, then you put her together with a XXX harlot like *Tori Black* who's known for nasty action. What's not to like? You guys have been delivering the goods for years, and this type of hook up is one of the reasons I love your mag. There's tons of free porn online and other magazines printing pics of gorgeous girls, but *Club* still goes a step—or two—above the norm! What makes it extra special is the way you get the models to go above and beyond what they usually do, and seeing *Tori* and *Jesse* share slit spit is quite a treat. Thanks, *Club*, for giving a fan good reason to stay loyal. Keep it up, guys! You're keeping me up and I appreciate it! **"Flattering Fan" – Minnesota**

If there's one thing that never fails to get my cock twitching, it's the sight of a seriously hot girl, all oiled up. So, as I'm sure you can imagine, the sight of *Tori* and *Jesse* poolside in your November issue had me set to erupt. I had a chick once that used to love getting so oiled up that when I tried to lay her down and fuck her, she would squirm so easily—which is kind of what made it so hot. I really loved watching *Jesse* and *Tori* slide across each other's bodies; but if they need a hand holding on to each other, I'd be happy to help! **"Slippery Lover" – Alabama ♣**

Breanne Benson

This blonde beauty is quickly making a major name for herself as one of porn's rising stars. We sat down with this hardcore hottie for all the dirty details.

Interview by Emma Edwards

EE: It's two p.m.—when was the last time you had sex?

BB: I had wild sex last night in my personal life. It was so good! In fact, I had to put an icepack over my pussy this morning. No kidding!

EE: Do food and sex mix? If so, what is the ultimate combination?

BB: Anything sweet, like candy and desserts would mix very well. I think a great combination would be having someone eat Red Velvet cupcakes and whipped cream off my naked body. That would definitely be a sticky, fun time. What do you think?

EE: Is the porn industry all that you thought it would be? What has surprised you?

BB: The adult landscape has really changed from when I started back in '03. The Internet presence is much stronger now. There are a bunch of new people, companies, and performers that weren't present before. It seems as though there are twice as many girls, which isn't necessarily a bad thing for me.

EE: Where do you prefer your cumloads?

BB: I'm really into creampie because the release feels so much more intimate. I've only performed one creampie scene so far. It was for Zero Tolerance, in a movie called *Creampled Cheerleaders*. Mick Blue unloaded in me during that scene. Needless to say, he was a lot of fun to work with. That boy is hot!

“ I love licking the cock nice and slow to start things off...”

EE: What makes you a unique porn star?

BB: The fact that I'm the only Albanian porn star would definitely separate me from the pack. I think that everybody has their own personal style that sets them apart, and I love introducing people to mine.

EE: What made you want to pursue a career in the adult industry?

BB: When I first got into the adult industry, I did it just for fun. After realizing how much I loved it, and after returning from my break from pornography, I realized it was something I wanted to pursue more passionately. My career in the adult industry has simply evolved.

EE: What did you do before porn?

BB: Since I was 18 when I first started porn, it has been my only job. Like I mentioned before, I started back in '03 then took a break to become a dancer for many years. I also worked in a restaurant for a while, but that was a horrible job that I ended up quitting. I wanted to get back to performing.

EE: Please fill us in on some of your porn goals.

BB: My next goal is to launch my new website: www.breannebenson.com, and really cater to my fans. My focus doesn't lie on winning awards. It would be nice, but as long as I have fans that enjoy my work, I will feel successful.

EE: What do you fantasize about when you play with yourself?

BB: My fantasy always includes a boy and a girl. Three-ways turn me on. Actually, the

people in my fantasy don't have faces. All I can see are hot bodies, big dicks, and huge tits. They don't need faces, actually. I'm only interested in what's below the neckline.

EE: Who, in porn, has the best pussy? Why is it so good?

BB: Alexis Texas is the yummiest! Her pussy is gorgeous, shaved, smooth, and tasty. She also gets really super wet when she's turned on, which is perfect for me. That girl is delicious from head to toe and is so much fun to work with.

EE: Which porn starlet/stud is the epitome of sexual perfection to you? Please explain.

BB: Belladonna is the epitome of sexual perfection. She oozes with sexual appeal, even when she's wearing shorts and socks with a shaved head. I'd love to work with her some day. She's my ideal. As far as the men go, I'd have to say James Deen or Manuel Ferrara. Those men are excellent at what they do. I've only worked with Manuel once, but the experience was amazing. James is also incredible. He has so much energy and knows how to turn me on.

EE: Who has the best cock in porn?

BB: With so many good dicks, how can I begin to choose just one? Since I'm a self-proclaimed 'size queen,' I love Manuel Ferrara, Scott Nails, James Deen, Jules Jordan and Mick Blue. I'm totally into big cocks. I can't help myself.

EE: Are you able to have squirting orgasms?

BB: I've only squirted once in my life and it was on set. Mr. Pete was the performer who took me there. He used his fingers, and before I knew it, I

was squirting all over the place. It didn't feel like an actual orgasm, but more like a pleasurable release. I liked it though. It was hot!

EE: Who would you love to work with but haven't yet?

BB: Aside from Belladonna, I'd like to work with Evan Stone. I've been a fan of his for years and would love the opportunity to experience him. Evan, if you're reading this—you're next!

EE: Do you watch porn in your private life? If so, what type turns you on?

BB: Yes, I love the aggressive Gonzo scenes. Nothing too crazy though. Dialogue-intensive movies are not my thing at all. I'd go crazy if I had to sit through all the dialogue. I'm just interested in watching the hot sex!

EE: What is the most sensitive part of your body?

BB: My neck is the most sensitive part of my body. I love for my neck and ears to be nibbled and sucked. I also love to hear my lover's heavy breathing in my ear.

EE: What is the worst pick-up line you've ever been told?

BB: Oh my, I've heard every pick-up line in the book. I hate the 'Get-to-know-ya' type of banter. It's so cheesy. I would

EE: Describe the best way to suck cock.

BB: I love licking the cock nice and slow to start things off. Once I commit to sucking, I don't just suck the head alone. I wedge his cock in my mouth and include his shaft, too. Sucking it too hard is also a no-no, and of course, I never use my teeth. Since I know it feels good for his cock to be pressed up against the back of my throat, I like to keep his cock there for a while. I also use my hands and never neglect the balls!

much prefer for a guy to walk over with confidence and say, 'Hey, I think you're hot!' That would work much better on me. Lines suck. Honesty is best, coupled with a compliment. I've been known to have one-night-stands, so the chances are getting

me into bed are pretty good. ♣

EE: What are you best at sexually?

BB: I've been told that I'm excellent in cowgirl position because I really get down and dirty. I love controlling the action from on top. I'm also an excellent cocksucker, which is a really great skill to possess in this industry, don't you think?

EE: Do you really enjoy being romanced by your lovers?

BB: Being romanced by my lovers makes me feel awkward. If he's trying to be romantic, he must interject humor into his play. Candlelit dinners and flowers are not my thing.

EE: What is the best way to get into those tight little pants of yours?

BB: Simply put, they have to be funny and fuck me hard!

EE: Where is the best place to kiss you?

BB: The best place to kiss me is right on the lips. I love kissing because it is so intimate. Kissing really turns me on and makes me wet. I love it!

CYNDI & KENI

Breaking up is hard to do, especially when Cyndi is the one that keeps him that way...

"It really doesn't have to be like this, Keni" Cyndi sadly whimpers, watching her boyfriend walk out the door with his computer and suitcase...

W'm sorry, but this isn't working out, Cyndi," Keni says, opening the door. "I'm going to miss that cock of yours," The blonde finally says, watching Keni walk out the door. His cock popping at her boldness was making it hard for him to walk away so fast. After all, the sex was the best part of their relationship.

"Fine. Have one final goodbye," Keni says, walking back in the door. It takes barely a minute before the former couple starts to make out, and in seconds; Cyndi is on the floor, sucking her final goodbyes to her ex's pole, slathering it with wads of her frosty saliva. "Man," he thinks to himself, "I hope my next girlfriend can suck a cock like Cyndi."

As her spit is dripping from his crimson head, he picks her up and places her on the couch, removing her drenched panties and gently fingers her sensitive nub while relishing in his last snatch snack. "Fuck," She thinks to herself, "I hope my next boyfriend eats pussy the way he does." Keni knows when she's about to cream all over his face, so he lifts up her legs and invades her sweet snatch one last time, plunging into her and remembering her velvety tightness.

Moving her from reverse cowgirl—to spoon—to doggle, the couple moves together beautifully matching each other's positions with ease, all while hitting their own sweet spots. Just as Cyndi is about to explode, Keni grabs onto his former lover tightly so she doesn't fly off his pulsating rod. With a mixture of his pre-cum and her love liquid flowing down each other's thighs—Cyndi knows the look Keni gives when he's about to erupt, so she pulls off his tender dick and makes sure she tastes the last of his joy juice before he finally leaves.

"I don't know baby, maybe we just needed one more shot?" Keni says, looking at his girlfriend licking the last of his frothy load. Cyndi leaps onto Keni—her breath riddled with his cum—and says, "Mmm...I was hoping you would say that." ♣
